

RAGHAVA REAL ESTATE COMPANY

Public Information Knowledge Base for End-to-End RAG

Raghava Projects | Hyderabad, Telangana

Version 1.0 | Verified 2026-07-15

Purpose: A grounded, multi-format corpus for document loading, chunking, embeddings, vector storage, retrieval, generation and evaluation.
Primary sources: Official Raghava company/project websites and official RERA/government sources.
Important: This document is not an official brochure, price quotation, legal opinion or contractual promise.
Retrieval rule: Answer only from supported context; disclose conflicts and say insufficient evidence when required.

1. Dataset Scope and Provenance

Public-information corpus for building and evaluating a RAG system. It covers the Raghava Projects brand, five official project microsites, project facts, amenities, selected technical specifications, regulatory context, grounded FAQs, and known information gaps.

Facts come primarily from official company/project websites and official government sources. Marketing descriptions are paraphrased and tagged as developer-stated. Dynamic commercial details are excluded unless reliably available.

- Facts are primarily grounded in official company and project pages.
- Marketing language has been paraphrased and tagged as developer-stated.
- Current prices, inventory, possession milestones and financing terms require live verification.
- The data-quality conflict on NOVA unit size is intentionally preserved for RAG evaluation.

2. Company Profile

Field	Value
Public-facing name	Raghava Projects
Dataset alias	Raghava Real Estate Company
Industry	Real estate development and construction
Headquarters	Hyderabad, Telangana, India
Official website	https://raghava.world/
Phone	+91 9289 212 121
General email	info@raghava.world
Sales email	sales@raghava.world
Corporate office	4th Floor, G Square Building, beside Raidurgam Police Station, Serilingampally, Hyderabad, Telangana, India

Company positioning

Raghava Projects presents itself as a Hyderabad-based premium real-estate developer focused on high-rise residences, villa communities, engineering-led construction, curated amenities, and luxury urban living.

Vision and mission - paraphrased

Redefine premium living through landmark structures, engineering excellence, carefully selected amenities, and curated residential experiences.

Bring high-quality design and service into each project, build enduring customer relationships, and strengthen the brand's position in premium real estate.

Establishment and legal-identity caution

An official project microsite states that the wider Raghava organization was established in 1991.

The public brand and project websites were verified. This dataset does not assert that any similarly named corporate registry entity is the exact legal promoter unless the project RERA record is checked directly.

3. Portfolio Overview

Project	Location	Type	Site area	Towers/Villas	Floors	Configuration	RERA
IRIS by Raghava	Raidurgam	High-rise residential apartments	7 acres	3	45	4 BHK, 6 BHK	P02400005078
WAVE by Raghava	Osman Nagar / Tellapur area	High-rise residential apartments	8.27 acres	4	36	3 BHK	P01100007254
SAGE by Raghava	Kollur	Gated villa community	20.86 acres	169	G+2	4 BHK	P01100008686

Raghava Real Estate Company - Public Information RAG Knowledge Base

Project	Location	Type	Site area	Towers/Villas	Floors	Configuration	RERA
CINQ by Raghava	Financial District / Nanakramguda	High-rise residential apartments	7.19 acres	5	61	4 BHK + maid room	P02400009341
NOVA by Raghava	Financial District / Nanakramguda	High-rise residential apartments	7.02 acres	2	61	3 BHK	P02400010373

4.1 IRIS by Raghava

Field	Value
Project ID	RAG-IRIS
Location	Near Malkam Cheruvu, Raidurgam, Hyderabad, Telangana
Property type	High-rise residential apartments
Positioning	Ultra-premium residential development
Site area	7 acres
Towers / floors	3 towers; 45 floors per tower
Configuration	4 BHK, 6 BHK
RERA number	P02400005078
Permit number	Not stated in reviewed pages
Pricing	Not published in the official pages reviewed; contact the developer and verify the latest cost sheet.

Signature features

- Sky Island connecting the three towers
- Private/personal elevators
- Lake and city views
- Shear-wall construction technology

A reliable size range was not clearly stated in the parsed official pages used for this dataset.

Clubhouse and amenities

- Area Sqft: 52000

Amenities:

- banquet hall
- mini theatre
- co-working spaces
- bar counter
- cafe
- rooftop pool

Specification categories

- foundation and structural frame
- superstructure
- plastering
- joinery
- painting

4.2 WAVE by Raghava

Field	Value
Project ID	RAG-WAVE
Location	Osman Nagar, Hyderabad (project website wording); the portfolio page labels the project Tellapur.
Property type	High-rise residential apartments
Positioning	Premium 3 BHK gated high-rise community
Site area	8.27 acres
Towers / floors	4 towers; 36 floors per tower
Configuration	3 BHK
RERA number	P01100007254
Permit number	002812/BP/HMDA/0578/SKP/2023
Pricing	Not published in the official pages reviewed; contact the developer and verify the latest cost sheet.

Signature features

- Sky Bridge on the nineteenth floor
- Panoramic city views
- Four-tower community

Unit sizes and plans

- Minimum: 1660
- Maximum: 1930

Tower 1:

- 1680
- 1880
- 1915
- 1930

Towers 2 3 4:

- 1660
- 1680
- 1740
- 1760
- 1880
- 1915
- 1930

Clubhouse and amenities

- Area Sqft: None

Amenities:

- yoga rooms
- bowling alley
- golf simulator
- rock-climbing wall
- swimming pool
- poolside cafe
- fitness areas
- children's play areas
- sports
- wellness
- work and entertainment spaces

Sources

SRC-003, SRC-007, SRC-008, SRC-009

4.3 SAGE by Raghava

Field	Value
Project ID	RAG-SAGE
Location	Survey Nos. 267, 268 and 271, Kollur Village, Ramchandrapuram Mandal, Sangareddy District, Telangana 502300
Property type	Gated villa community
Positioning	Ultra-premium 4 BHK villas
Site area	20.86 acres
Villas / structure	169 villas; G+2
Configuration	4 BHK
RERA number	P01100008686
Permit number	Not stated in reviewed pages
Pricing	Not published in the official pages reviewed; contact the developer and verify the latest cost sheet.

Signature features

- Private indoor swimming pool for each villa
- Home-automation provisions
- Low-rise villa community
- Private, landscaped setting

Plot and villa details

Plot sizes: 335-400 sq yd; facings: east, west; parking: 3 cars per villa.

Clubhouse and amenities

- Structure: Ground + 3 floors + terrace

Amenities By Level:**Ground:**

- swimming pool
- pre-function area
- provisional store
- banquet hall

First:

- outdoor cafe
- indoor games
- badminton court

Second:

- mini bowling alley
- activity room

Third:

- spa
- gentlemen's lounge
- yoga deck
- gym
- salon

Terrace:

- seating area
- open-air theatre
- bar

Landscape:

- cricket practice net
- edible garden
- herb garden
- aromatic garden
- nature trail
- elevated walk
- sculpture court

Technical summary

- RCC foundation and framed structure
- earthquake-resistant foundation claim
- solid concrete block walls
- smart-lock provision
- imported marble in drawing/living areas
- vitrified flooring in bedrooms and kitchen
- anti-skid toilet/utility flooring
- treated-water and sewage-treatment systems
- 100% DG backup claim
- CCTV and access-control provisions
- three dedicated parking spaces
- one EV-charging provision per villa
- 40-foot internal roads

Location-data caution

Nearby travel times published by the developer are approximate and traffic-dependent.

4.5 NOVA by Raghava

Field	Value
Project ID	RAG-NOVA
Location	Financial District, Nanakramguda, Hyderabad, Telangana 500032
Property type	High-rise residential apartments
Positioning	Premium 3 BHK high-rise residences
Site area	7.02 acres
Towers / floors	2 towers; 61 floors per tower
Configuration	3 BHK

Field	Value
RERA number	P02400010373
Permit number	Not stated in reviewed pages
Pricing	Not published in the official pages reviewed; contact the developer and verify the latest cost sheet.

Signature features

- Sky62 connecting/elevated amenity concept
- Approximately 220 metres above city level (developer claim)
- Two high-rise towers
- Multiple mid-level amenity zones

Unit sizes and plans

- Headline Minimum: 2038
- Headline Maximum: 2605

Plan Page Values:

- 2038
- 2044
- 2379
- 2387
- 2566
- 2571
- 2576
- 2591
- 2595
- 2600
- 2601
- 2606

Ground-level amenities

- bus bay
- adventure play area
- pickleball court
- pet park
- co-working space
- outdoor cafe

Sky62 amenities

- gym
- walking/jogging track
- aerial yoga/meditation corner
- open-air tennis court
- private lounge
- viewing deck

Technical summary

- RCC foundation and frame
- aluminium formwork and shear-wall system
- design claim for wind and seismic loads under relevant IS codes
- gypsum-finished internal walls
- premium teak/engineered doors and smart-lock provision
- double-glazed aluminium sliding doors and windows

- luxury acrylic-emulsion finishes

Club Nova - level-wise program

Ground

supermarket, pre-function lobby, banquet hall

First

multipurpose hall, pre-function lobby, theatre/screening room, coffee and reading lounge

Second

indoor badminton, indoor games, table tennis, golf simulator

Third

co-working space, conference room, board room

Fourth

guest suites, salon, spa

Terrace

viewing decks, open-terrace seating, party area and bar counter, barbecue deck, outdoor dining/social zone

Amenity area figures

Field	Value
Sky62 Sqft	81000
Mid Level Sqft	20295
Club Nova Sqft	50900
Club Nova Structure	G+4 plus terrace

Data quality note

The home page states a maximum of 2,605 sq ft, while the detailed plan page includes a 2,606 sq ft layout. Store both values and surface the discrepancy during retrieval.

co-working space, business lounge, conference room, board room

Family And Children

creche, kids lounge, teen lounge, play area, activity room, guest suites

Social And Entertainment

banquet hall, multipurpose hall, screening room, mini theatre, sports bar, party deck, open-air theatre, cafe, barbecue deck

Nature And Outdoor

landscaped open space, nature trail, vertical garden, sensory walkway, pet garden, viewing deck, sky observatory, edible and herb gardens

6. Buyer Due-Diligence and RERA Context

Under the Real Estate (Regulation and Development) Act, 2016, project registration is generally required, with exemptions including projects not exceeding 500 square metres or eight apartments, subject to the Act and applicable state rules.

- Verify the exact project and promoter on the official TG-RERA portal using the stated registration number.
- Compare the registered plans, completion timeline, approvals and quarterly updates with sales material.
- Request the latest sanctioned plan, cost sheet, agreement for sale, payment schedule and possession commitment.
- Do not treat website renderings, travel times, amenity descriptions or third-party prices as guaranteed contractual terms.
- Confirm carpet area, saleable area, parking allocation, maintenance charges, taxes and escalation clauses in writing.
- For legal or financial decisions, use qualified professionals and current official records.

7. Known Information Gaps and Required Abstentions

A trustworthy RAG assistant should not guess the following:

- Current unit availability and inventory by tower/floor
- Official price list, base price, premiums, taxes and payment plans
- Confirmed possession dates and construction completion percentages
- Registered promoter legal name for each project, unless retrieved directly from TG-RERA
- Carpet-area values for every unit layout
- Maintenance charges, corpus fund and association rules
- Booking, cancellation, refund, transfer and resale policies

- Home-loan partner list and financing terms
- Any guarantees about travel time, appreciation, rental yield or investment return

8. Grounded FAQ

Q1. What is the official company name used in the public website?

The public-facing brand is Raghava Projects. This dataset also uses the alias Raghava Real Estate Company for the user's project.

Sources: SRC-001

Q2. Where is Raghava Projects based?

Its public corporate office is listed at G Square Building beside Raidurgam Police Station, Serilingampally, Hyderabad, Telangana.

Sources: SRC-004

Q3. What is the official contact number?

+91 9289 212 121.

Sources: SRC-004

Q4. Which projects are listed on the official portfolio?

IRIS, WAVE, SAGE, CINQ and NOVA.

Sources: SRC-003

Q5. Which project offers 4 and 6 BHK apartments?

IRIS by Raghava.

Sources: SRC-005

Q6. What is the IRIS RERA number?

P02400005078.

Sources: SRC-005

Q7. What is special about IRIS?

Its official site highlights a Sky Island connecting three towers, 45-floor towers, private elevators and a 52,000 sq ft clubhouse.

Sources: SRC-005

Q8. Which project has a Sky Bridge?

WAVE by Raghava; the official site places the Sky Bridge on the nineteenth floor.

Sources: SRC-007

Q9. What are the WAVE apartment sizes?

The official floor-plan page lists 3 BHK layouts from 1,660 to 1,930 sq ft.

Sources: SRC-008

Q10. What is the WAVE RERA number?

P01100007254.

Sources: SRC-007

Q11. Which project contains private-pool villas?

SAGE by Raghava.

Sources: SRC-010

Q12. How many villas are in SAGE?

169 villas are stated on the official project site.

Sources: SRC-010

Q13. What plot sizes are offered at SAGE?

The project site states 335 to 400 square yards, with east- and west-facing options.

Sources: SRC-010

Q14. Does SAGE provide EV charging?

The specifications state a provision for one EV charging point for each villa.

Sources: SRC-013

Q15. What is the SAGE RERA number?

P01100008686.

Sources: SRC-010

Q16. Where is Cinq located?

Road No. 2, Financial District, Nanakramguda, Hyderabad, Telangana 500032.

Sources: SRC-015

Q17. How large are Cinq apartments?

The official site states 3,575 to 3,644 sq ft.

Sources: SRC-015

Q18. What is Cinq's configuration?

4 BHK residences with a maid room.

Sources: SRC-015

Q19. What is the Cinq RERA number?

P02400009341.

Sources: SRC-015

Q20. How many towers does Cinq have?

Five towers.

Sources: SRC-015

Q21. What is NOVA's basic configuration?

Two towers, 61 floors, 3 BHK residences on a 7.02-acre site.

Sources: SRC-019

Q22. What is the NOVA unit-size range?

The headline range is 2,038 to 2,605 sq ft, but the plan page includes one 2,606 sq ft layout. The discrepancy should be disclosed.

Sources: SRC-019, SRC-021

Q23. What is Sky62?

NOVA's elevated amenity level, stated as approximately 81,000 sq ft, with fitness, leisure, viewing and outdoor-sport spaces.

Sources: SRC-019, SRC-020

Q24. What is the NOVA RERA number?

P02400010373.

Sources: SRC-019

Q25. What are the current prices?

The official pages reviewed do not provide a reliable current price list. Contact the developer and verify the latest official cost sheet.

Sources: SRC-004

Q26. What is the possession date for every project?

The corpus does not contain verified possession dates for every project. Check the current TG-RERA records and signed sale documents.

Sources: SRC-024

Q27. Is the company guaranteed to deliver every promised amenity?

No guarantee can be inferred from this dataset. Website descriptions must be checked against RERA filings, sanctioned plans and the agreement for sale.

Sources: SRC-023, SRC-024

Q28. Can this dataset be used as legal advice?

No. It is a public-information RAG training corpus and not legal, financial or investment advice.

Sources: SRC-023, SRC-024

9. RAG Implementation Notes

- Prefer official project sources over secondary summaries.
- Use project_id or RERA-number metadata filters for project-specific questions.
- Return an insufficient-evidence answer for price, inventory, possession and legal-entity questions unless current official records are retrieved.

- Surface conflicting official values instead of silently choosing one.
- Cite source IDs and URLs in generated answers.

The ZIP includes semantic JSONL chunks, a metadata schema, source catalog and evaluation set. These can be loaded directly or used as a reference when testing custom loaders and chunkers.
